## Storytimes

The Des Moines Public Library offers several storytimes each week at all six locations! Our storytimes are tailored for specific age groups, including infants, toddlers, preschoolers, and storytimes meant for the whole family! Storytimes feature books, rhymes, songs, and more, and there are several special-themed storytimes throughout the year.

Find our full storytime schedule at [dmpl.org/storytimes](https://dmpl.org/storytimes).

## ASAP Days

A partnership between the Des Moines Public Library and After School Arts Program (ASAP) brings unique and meaningful arts experiences to school-aged children Monday through Thursday after school. These programs are offered thanks to a \$100,000 grant awarded to both organizations by Bravo Greater Des Moines.

Each week, four DMPL branches will each host a free arts class — led by a professional, paid teaching artist — designed for kids age 5-14. Each program also includes a snack. Past classes have included fiber art, yoga, paper crafting, breakdancing, and more. The following days are when each branch hosts classes. Check our events calendar ([dmpl.org/events](https://dmpl.org/events)) for times and themes, as availability is subject to change.
